

EU-CARES EUropean Collective nArratives for Reconciliation trauma hEaling through youth engagement and Storytelling

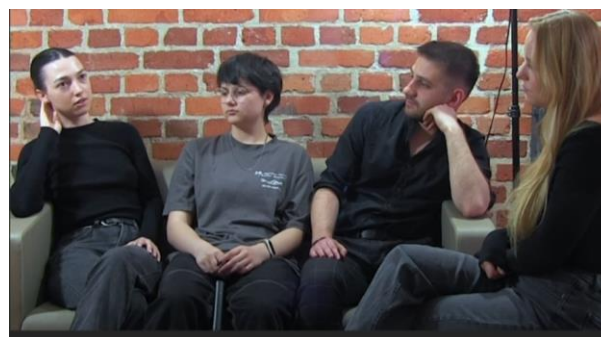

We are all stories catalogue

“We are all stories catalogue” is out!

This amazing collection of creative works produced by young participants in storytelling workshops held in Albania, Montenegro, Bosnia and Herzegovina, Italy, Poland and Serbia is now live.

The workshops encouraged youth to explore teams of trauma, reconciliation and healing using various artistic mediums and storytelling techniques from the previously developed E-toolkit. The resulting collection showcases the power of storytelling to heal reconcile and inspire a positive future for inclusive societies.

EU-CARES EUropean Collective nArratives for Reconciliation trauma hEaling through youth engagement and Storytelling (Project ID: 101093735) has been co-funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

What you'll find inside:

- **Two tails** crafted from collected narratives, transforming discriminatory and distorted perspectives into stories with positive morals.
- **Two podcasts** on western Balkans' collective trauma, reconciliation and healing from the past.

- **A photographic** exhibition exploring themes of diversity, minority representation and cultural differences.
- **Two podcasts** detailing the refugee journey to the European Union.
- **An animated video** highlighting the experience of belonging to disadvantaged groups.
